RE: New Coordinator – New System

This email is being sent to test the system setup and volunteer email list I am now using in my new position as Kairos Allred Communications Coordinator. So if you are actually reading these words, then so far, so good!

Naturally, the goal of these bulk email communications to you is to pass along information which is deemed important to the Kairos Allred Volunteers with an effort to only send the information which you really need and want.

To reduce concerns for misplaced or not received information, a special web-page devoted solely to posting pdf versions of all non time sensitive informational emails has now been created. Here's the link: <http://kairos-allred.org/information-page.html>. (Note: This link can now also be found at the top of the Ministry page on our website.)

If you have any questions or requests regarding your receipt of Kairos Allred emails, now or in the future, please do not hesitate to contact me directly by sending a reply email which I will handle individually and in confidence.

So thank you for your time today and I look forward to smooth email sailing. Although let's face it, any email program must embrace the motto: *Hope for the best, but expect the worst!*

Your brother in Christ,

David Ford, Communications Coordinator
